

# Thorpe Neighbourhood Plan

## BUSINESS LINKS

### Background

The Forum has formed a working group, including local businesses, to look at planning for current and future economic activity:

- There are several existing large and small businesses in the area, Thorpe Park, JB Waterski CEMEX, TESIS, the shop etc
- Increase vibrancy of the village
- Provide local employment
- Lead to improved use of village facilities
- Ensure a balance between our living and working environments.

Map showing where the main businesses are currently located within the Designated Area

### You have asked for:

- Maintaining and fostering community links to existing businesses
- Community buildings used for cafe
- Improve broadband speeds
- Business involvement in community days
