

Thorpe Neighbourhood Plan

OUR ENVIRONMENT

Why?

- Runnymede Council is producing a new Local Plan
- As part of the Local Plan, the Council have reviewed the Green Belt provision and future housing needs
- The Neighbourhood Plan will help us identify the priority for green spaces

Survey Results

- Your top response was to maintain green spaces (over 90% of those from the Area asked for this)
- Lots of comments that green spaces are what help define our village and preserve its character

Suggestions

- Modest infringement to the Green Belt
- Enhance our open spaces and make them more accessible
- Community green energy project

Your thoughts/input

- Please mark on the map where you would like open spaces promoted in our Neighbourhood Plan
- Please complete a feedback form and tell us more about your thoughts
