

THORPE NEIGHBOURHOOD FORUM

Thorpe Neighbourhood Forum is governed in accordance with Neighbourhood Planning (General) Regulations 2012.

Under Regulation 4 of the 2012 Regs, it allows for the use of email to make representations and consult with other parties so, we are using this Regulation as authority to allow Members of the Forum to exercise their vote via email.

In our Constitution (Clause 7(6)), we had already sought to adopt Regulation 4.

The draft Thorpe Neighbourhood Plan was sent via email on Thursday 21st May to all Forum members and hard copies delivered to those without internet access. A covering note was sent to request they respond by email with their comments and whether they agree the Plan should be submitted to Runnymede Borough Council under Regulation 15. All Forum members were asked to respond by Thursday 28th May at 5pm.

From the 36 Forum members contacted, 23 have responded to confirm their agreement to the Thorpe Neighbourhood Development Plan being submitted to Runnymede Borough Council under Regulation 15.

Elaine Gill
Secretary
Thorpe Neighbourhood Forum
